

# KAISER PERMANENTE SOUTHERN CALIFORNIA COMMUNITY GIVING CAMPAIGN • OCTOBER 2017

## We Give from the Heart

Recent natural disasters, both at home and abroad, remind us of the essential, lifesaving services many nonprofit agencies provide both in times of emergency and daily in response to persistent community challenges.

Make your pledge today through the Community Giving Campaign to:

- Fund current and future disaster relief efforts
- Provide resources to support Food Banks
- Support services for high-risk, homeless populations
- Help fund research to prevent birth defects and chronic diseases
- Provide food, shelter and medical care to support animal rescue organizations.
- Assist thousands of other worthwhile organizations in our communities

Feel secure knowing that 100 percent of your contributions go directly to the organizations of your choice to help improve the Total Health of our Communities.
